Hi Paul. I'm in OC at a friend's memorial service. The BID has not been involved in any of the details of this event. We gave \$1000. Nothing more was asked or rendered. Sorry. I can't fix this.

Hi, Donald, this is Paul Neuman from the Koretz office. I am at the Melrose Bellow lit crawl event that started maybe 30 minutes ago, and the event point person, Conrad Romo, just ran in, saw me, and said that parking he had arranged and gotten approved by/with you for maybe 100 cars maybe six weeks ago hasn't happened and the lot is locked and/or IF someone is there they are not letting cars in. Conrad said he had left your contact info at home, maybe he has gotten your help or help from someone by now, but if not, can you help asap? The best way to reach me is by emailing me here, since it is awfully noisy here and I may not hear the phone. The event goes until 9 tonight.
